PLACING US

AT THE FOREFRONT OF
BEING A KEY PLAYER IN
**THE FACILITY SERVICES
INDUSTRY.**

ABOUT US

We are delighted to provide you a brief introduction to HAPBCO LLC. We are one of the leading industrial construction companies in India, the Middle East, and Africa. We have evolved into becoming pioneers in India's industrial construction sector during the past 60 years and have dealt with 200+ major industrial projects across 10+ countries in diverse industries. Our company has a wide range of skilled workers, and we have commendable experience in Industrial Construction, Manpower Supply, Fabrication, Erection and Commissioning of Cement, Steel, Lime, Sugar, Power, Chemical, Paper, Oil and Gas industries.

Our newest addition of division is integrated facility and other related services (IFS). And we are more than excited to have your company among our prestigious clients!! Our intention is to be a **“ONE STOP SHOP FOR FACILITY SERVICES AND OTHER RELATED SERVICES”**.

CLEANING AND HOUSE KEEPING SERVICES

HAPBCO IFS has the capabilities in looking into all aspects of facilities management, and we are confident of delivering high standards of services to all our clients.

We look to develop long term relationships that enables us to become an extension of our client activities, and thus enabling us to deliver a consistent and professional services. We aim to adapt and customize cleaning solutions to facility-specific needs that involve cleaning and managing every imaginable space, large and small.

We offer everything from initial cleaning services to comprehensive facility support services. With reference to the Cleaning and Housekeeping Services, we at HAPBCO IFS would treat your (client) premises as our own and provide the services of the highest standards in the industry.

Our services are provided in the form on **annual contracts or a one time cleaning requirement.**

PEST CONTROL SERVICES

HAPBCO IFS have a specialized team to carry out pest control and fumigation services. They are qualified to deal with all requirements of “pest control” whether it is pre-construction termite treatment or a periodic treatment to take care of regular pests such as ants, cockroaches etc.

Whatever your type of organization, pests can pose a health hazard, and hence our staff will ensure that they carry out the appropriate preventative action, as well as deal with any pest issues when ever necessary. In the initial stages pests are often not visible and hence we recommend a periodic check of your premises.

We look at using government approved and environmentally friendly products and chemicals to eradicate pests and give you a “Hygienic and Pest Free Environment”

LANDSCAPING SERVICES

Converting an empty land area into a green space is our aim, thus contributing to the environment and to the wellbeing of our clients. Our aim, includes the maintenance of the established gardens and parks. These qualities enhance our services, and we are confident of becoming a key player in the gardening and landscaping sector in the Sultanate of Oman, serving both residential, commercial and government entities.

Our solutions for new projects include:

- Landscape design, development & maintenance.
- Setting up of water bodies within the green space.

Our solutions for existing gardens include:

- Weeding, mowing & trimming.
- Fertilizing & pesticide spraying.
- Planting of permanent greenery.
- Replanting of seasonal flowers as per the seasons of the year.
- Tree & shrub trimming and maintenance and disposing of the green waste.

Our services would also include setting up of an Irrigation system thus ensuring the low-cost maintenance of the greenery. Will not only enhance but will ensures that landscapes and gardens are presentable.

We at HAPBCO IFS, strive to ensure a greener and healthier environment, therefore includes the best in terms of greenery around you enhancing the work space, and in turn, add to the environment.

WASTE MANAGEMENT SERVICES (GARBAGE AND SEWAGE REMOVAL)

Our aim is to be a key player in the waste management industry is to ensure the proper and timely disposal of waste, thus contributing effectively to your health and the health of the environment.

At HAPBCO, we provide solutions for all kind of waste disposal, whether be it refuse collection, recycling or the disposal of bulk waste.

In addition, we look at providing the most cost-effective solutions either by suggesting a compactor or a compost creator.

We offer complete waste management solutions for commercial and residential properties.

We at HAPBCO IFS, strive to ensure a timely service with regards to “Waste Management” and “Sewage Removal” services, thus ensuring to minimum hazard to people and the environment.
